# A Message from the President

It is with great honor, and a bit of trepidation, that I have accepted the office of President for 2011-2013. Thirteen years ago when I joined the Chimes I had no idea that I would be leading this wonderful group of women. I have dreams of what we might become and do for the area where we live. I am not oblivious to the obstacles that we could encounter, but not being a “quitter” and loving a challenge, I accept this great responsibility.

I recently read the following with interest and wish this might become our goal:

“I choose to live by choice, not chance  
To make changes, not excuses  
To be motivated, not manipulated  
To be useful, not used  
To excel, not compete  
To have self esteem, not self pity.”

My deepest thanks on behalf of all the Chimes, to Jill Hughes, for the tremendous job she has done as President, at a very difficult time after the passing of our beloved Daisy Sweet. We are all grateful for your leadership !!!

Carol M. Chase
